Community IMPACT Report

Colorado Natural Gas

We Exist to Serve Our Communities

At Colorado Natural Gas, giving back is at the core of who we are. Our community engagement efforts focus on building strong local relationships, supporting economic development, and strengthening the places we call home. From charitable giving grants to volunteer efforts, we're focused on creating a future where our communities don't just grow, but thrive.

How We Support Our Communities

For us, delivering essential energy is just the beginning. We're committed to providing warmth where it matters most through our programs, giving campaigns, and heating assistance fund.

Our Giving Focus Areas

We proudly support local nonprofits in our key focus areas:

Basic Human Needs:

We back nonprofits that provide life's essentials—food, shelter, and critical resources—helping neighbors when they need it most

Community Enrichment:

We invest in cultural and recreational programs that foster belonging and vibrancy. By celebrating community life and encouraging participation, we help build inclusive, dynamic spaces where everyone feels welcome and inspired.

Environmental Stewardship:

We are dedicated to protecting our environment by supporting efforts in energy efficiency, waste reduction, and pollution reduction—creating a healthier future for generations to come.

STEAM Education:

We empower students, teachers, and lifelong learners to innovate and dream big through Science, Technology, Engineering, Art, and Mathematics programs.

Colorado Natural Gas | Summit CARES

Summit Cares Charitable Giving Program

We believe we're only as strong as the communities we serve. We are dedicated to supporting local, community-based nonprofit organizations throughout our Colorado service territory through grant funding.

From the Mountain Resource Center and Pueblo United to Spark the Change Colorado and the Community Partnership Family Resource Center, we're proud to stand alongside organizations sparking hope, opening doors, and driving meaningful change.

United Way Workplace Giving Campaign

We support The United Way's mission to uplift communities and care for those in need. Through team member payroll deductions, one-time gifts, and company matching contributions during our companywide annual United Way Workplace Giving Campaign, we support vital community programs serving Colorado families and individuals.

Volunteer Time Off (VTO) Program

Beyond financial support for local organizations, our team members also volunteer their time through hands-on, in-person service. We're proud to offer up to 20 hours of paid VTO to our team members each year, empowering them to support the causes that inspire them and connect with community members in meaningful ways.
